Introductory Price: \$124.99

***Sign up by July 14th and get FREE access to
Leadership reinforcement E-learning course.***

From Control to Empowerment - Bringing out the best in you so you can bring out the best in others.

Motivate Them. Encourage Them. Empower Them.

Program Purpose - Provide leaders with tools and skills to change their behavior from the traditional practices of controlling and directing to coaching, facilitating and empowering.

In this workshop you learn:

- ♦ **The importance of Leadership in achieving long-term organizational success**
- ♦ **The five myths of leadership**
- ♦ **The difference between leadership and management**
- ♦ **The difference between controlling and empowering leadership styles**

This workshop is designed to provide Leaders with tools & skills to improve their practices of coaching, facilitating and empowering.
